## **IMPORTANT! This is for Candidates and Campaign Committees supporting county and municipal candidates. (W.S. 22.25-106)**

### **Who must file?**

Each candidate and candidate's committee (if applicable) is required to file campaign finance reports within the statutory deadlines, whether the candidate is successful or not; this is to include:

- Candidates who neither receive nor spend any money during the campaign must file.
- A committee formed before or after an election is required to file after each election.

### **What must be filed and when?**

- A candidate/committee shall file an itemized statement of contributions and expenditures at least seven (7) days before the election.

### **Where do I file?**

- **File:** Office of your local County Clerk.

(Note: Statewide candidates & candidate committees file online at <https://www.wycampaignfinance.gov/>)

### **What are the deadline dates for the 2022 election?**

- **Primary Election:** Contributions & Expenditures – at least 7 days before Primary: **Aug. 9, 2022**
- **General Election:** Contributions & Expenditures – at least 7 days before Primary: **Nov. 1, 2022**

### **Reporting requirements:**

The general rule is that a candidate/committee should note and keep track of all campaign contributions no matter how small. The law only requires you to itemize contributions on this form that total \$100 or more. However, keep in mind that if you receive \$80 from a contributor who then later gives you \$30, you must report the total \$110 contribution on this form.

### **Penalty for not reporting:**

A person found guilty of violating Wyoming campaign finance statutes is subject to criminal charges. Failure to file a required report could result in a two (\$200.00) civil penalty. WS 22-25-108(f).
